

Title:

## **What is spiritual care in relation to women, babies and families?**

Author:

**Jenny Hall**<sup>1</sup>

### **Content:**

*Aim(s) of the workshop/presentation:* The aim of this workshop is to debate the issues around spiritual care for pregnant women and their families in relation to midwifery practice.

*Summary of the content of the workshop/presentation:*

1. Evidence around the spiritual needs of women, babies and their families will be considered.
2. Evidence from recent research talking to UK midwives about their role will also be presented.
3. Opportunity will be given to discuss the issues in relation to country-specific practices.
4. An aim will be that conclusions will be drawn for the participants to take back to their own areas of practice
